MADNESS AS AN APOLOGY FOR

CRIME. controlled, has even incurred suspicions worthy of any steel, in the person of of this character, and the hand of vigorous reform must be applied But we have a joint interest with the years, and was second clerk when Pres

ALABAMA AND MR. GREENLAW. ville, it was stipulated that through all usurper of constitutional rights, we want to the belies of the "land of corn." time no place should be preferred to a statesman. Memphis in freight schedules. In other words, the western end of the Memphis and Charleston is as much part and parcel of the North and South line as the Louisville and Nashville road. A new country that may be made tributary to our peerless cotton and grocery market will soon be accessible, and with it a wide field for the exhibition of Memphis energy and activity. All farmers' supplies cost as little here as in Louisville or Nashville. We are practically nearer or Nashville. We are practically nearer the great source of supply than either city, and since Memphis is certainly the best cotton market of the South, constitutional laws, withstood their impact there is no reason why Birming-ham, Elyton and all central Alampion of constitutional liberty.

The property of Tennesco over him.

The property of the south of bama may not find in this city the future source of supplies and market place for Alabama's products. The the whole South (and of the North, too, Chamber of Commerce should have Memphis facts and statistics, and news-Memphis facts and statistics, and news-papers with cards and editorial notices distributed throughout Alabama, and esdistributed throughout Alabama, and especially along the route of the North and South road.

IT IS QUITE impossible to understan how the election of an unqualified "rebel," now transformed into an adherent of Greeley, can obstruct the hand shaking proposed to be effected by rubbing out old party lines and substituting the "bloody chasm." Equally impos sible is it to see how an unfaltering Unionist, by his acts and speeches, can serve the South more effectively than a proper representative of extreme South era opinions, who now entertains, and shows the fact by his votes and speeches the very opinions expounded by the original Unionist. In fact, if it

"The elected and defeated candidates in the recent local elections in Louisville enve of new Atlanta, and the Brotherhood. were alike adherents of Greeley and he had several countries under the do-Brown. A busy ring, that makes polities a trade, had been accustomed to parcel out local offices among themparcel out local offices among them-baselves. The people rose and smashed portance. His successors generally, with it; and, that's all. Professional little perhaps the exception of his son and noisy political bummers, about the streets of Louisville, became an intolerable nuisance, and the real, substantial, sensible people of the city have endured the evil of this sort of despotism fill it became wholly insufferable, and very suddenly they demolished the organization." Such is the exposition of these Louisville elections as given by a sensi-Louisville elections as given by a sensi-tile, trustworthy correspondent to the ancient town with its more than ble, trustworthy correspondent.

If all the oratory, blandishments, of-ficial arts and stratagems and force and money of the Federal government bare-ly won a majority, and a majority forced by frauds in refusing to count local Democratic majorities-if all these agencies queror.

THEODORIC H. GIRBS, who used to write and sing campaign songs at old Whig camp-meetings in the earlier years Steamboats versus Railroads-Traits of MONDAY MORNING, : AUG. 12, 1872, of a bygone age, is now a Republican andidate for Congress in the Maury district. When we hear of Gibbs now we also hear in fancy, "Hark from the tombs," etc. Gibbs will be gibbited by Whit, and whittled down and have a big we were bound to leap through life

FOR CONGRESS.

Peace and Good Fellowship between the Sections.

> the Ninth District, and Andrew Johnson from the State at Large.

EDITORS APPEAL-I observe in the Asylums, like other institutions for public beneficence, sometimes become public evils. Rich men in the way of those who would inherit from the civiliter mortues are quietly removed by a cerminate with the standard many and to install in our places of public trust and confidence men of known ability and merit, to throw aside minor objections and to emplace and your brain is not racked by the way aside minor objections and to emplace of public trust and confidence men of known ability and merit, to throw aside minor objections and to emplace of public generally an expressed desire to hasten "the em of good feeling," to form to walk, and do not become wearied with your journey. You may take your daily afternoon siesta. You have room to walk, and do not become wearied with your journey. You may take your daily afternoon siesta. You have room to walk, and do not become wearied with your journey. You may take your daily afternoon siesta. You have room to walk, and do not become wearied with your journey. You may take your daily afternoon siesta. You have room to walk, and do not become wearied with your journey. tificate of insanity from a sick bed to an asylum. The superintendent of the institution secures good fees, board bills are enormous, and the estates of the incarcerated victim are rapidly disposed of. Public institutions established for the wisest and best purposes by the wisest and best men are often made the greatest possible curses that can be inflicted on a community. The public school system, as now regulated and section of the standard of ability and merit who is worthy to receive that commission, so far as the Ninth district is concerned, it has put forth a foeman to birth and a Missourian by adoption. The resulter and we work the gentlemants of the standard of ability and the st HON, LANDON C. HAYNES;

speedily or great public evils must balance of the State in putting forward ensue. In fact the whole public administration of public affairs in the cy and selfishness is generally deemed disgraceful, even as it is ruinous to public and private morals and intelligence. The city government itself is in actual partnership with infamy too vile to be partnership with infamy too vile to be named and with vices too reprehensible to be practiced in daylight. It might be well for us to have here, as in New list words, like the sunbeam, scatter list words, like the sunbeam scatter list words lis

to him who can best perform the high stituted charming traveling comp When Mr. W. B. Greenlaw and his officer to command our militia, we Tower was generous; that some of the associates, the greatest of Memphis should choose a military man, but when young ladies were charming, intelligent benefactors, sold the North and South we want a man to shape the policy of the government, to mould public senti-instructed or wilfully churlish, and alto-
